WHEREAS, TIGER POINT VILLAGE, INC., a Florida corporation, as Declarant, did, on or about September 14, 1978, record a certain "Declaration of Covenants, Conditions and Restrictions" (Declaration) in the Public Records of Santa Rosa County, Florida, at O.R. Book 450, Page 350, which Declaration was subsequently amended by instruments recorded in the Public Records of Santa Rosa County, Florida, at O.R. Book 460, Page 188 and O.R. Book 529, Page 360, and which said Declaration, as amended, pertained to, among other things, certain subdivided real property constituting various lots in Tiger Point Village, Units 1, 2, 3, 4, 5, 6 and 7, according to plats of same recorded in the Public Records of Santa Rosa County, Florida, in Plat Book C, Pages 8, 16, 26, 30, 48, 130 and 144, respective;

WHEREAS, Article VI, Section 3, of the aforesaid Declaration, as amended, provides that the said Declaration may be amended by instrument signed by Owners of two-thirds of the Lots (the words "Owners" and "Lots" having the same meaning herein as set forth in the aforesaid Declaration, as amended), said instrument to thereafter be recorded in the Public Records of Santa Rosa County, Florida;

WHEREAS, the total number of Lots subject to the aforesaid Declaration, as amended, is seven hundred two (702), with two-thirds of said total number of Lots being four hundred sixty-eight (468); and

WHEREAS, the undersigned, being and consisting of the Owners of more than two-thirds of the Lots subject to the aforesaid Declaration, as amended, have determined it to be in the best interests of both the undersigned and all other Lot Owners subject to said Declaration, as amended, to amend said Declaration, as amended, pursuant to Article VI, Section 3, of said Declaration, as amended, and as outlined above;

NOW, THEREFORE, the aforesaid Declaration, as heretofore amended by instruments recorded in the Public Records of Santa Rosa County, Florida at O.R. Book 460, Page 188, and O.R. Book 529, Page 360, is hereby amended pursuant to Article VI, Section 3, of the Declaration, as amended, in the manner and to the extent set forth below, such amendment to be effective as of the date this instrument is recorded in the Public Records of Santa Rosa County, Florida.

1. Article IV, Section 12, is hereby amended and restated in full to read as follows:

> Section 12. No chainlink fence shall be allowed and no other type of fence (including growing hedges) shall be erected without prior architectural approval in accordance with Article III hereof. The purpose in requiring prior architectural approval of fences is not to preclude construction of appropriate fences, but is to help insure that same are in conformity with the architectural design of the residential structure, that they do not unnecessarily or inappropriately restrict the view of other Lot Owners in the same vicinity, and that they do not adversely affect the aesthetic qualities or appearance of adjoining property. As a part of the architectural approval process in reviewing fence matters, the Board of Directors of the Association (or an architectural committee composed of three or more representatives appointed by the Board) shall consider such factors as it deems appropriate on a uniform basis, consistently applied, such factors to include conformity with the architectural design of the residential structure, obstruction of view of other Lot Owners in the vicinity, any adverse affect on the aesthetic qualities or appearance of adjoining properties, and safety considerations. Architectural approval of fences (other than chainlink) required to be erected around swimming pools by applicable laws or regulations shall be routinely granted provided that they are in conformity with the architectural design of the residential structure.
