

Waste Pro Welcomes You As A New Customer!

Please Keep This Guide In A Handy Place

Effective July 1st, we will begin service to your area. ***Please do not begin using your new containers until that time.*** The following are your new service days for garbage, recycling, yard waste, and bulk. You will be provided two containers, one for garbage and one for recycling. The recycling containers have a handy guide on the lid and list the items that are acceptable in this program. Bulk service is on a "call in" basis. However, we can pick up most bulk items that you have on the same day that your garbage is put out. White goods, such as washers and dryers, will need to be called in for a special pickup. Collections begin at 7:00 a.m. and continue throughout the day. Please have your containers at the curb by 7:00 a.m. to ensure pickup.
